

Clutha District Council

Building Consent Application Checklist Farm Buildings

**Application details required before a building consent
can be processed by Council staff**

Not Applicable	Not Acceptable	Acceptable	
			Two (2) full copies of all building plans, specifications and site plans are required.
			Building Code clauses and means of compliance identified.
			Site plan showing location of proposed building and dimensions from all boundaries.
			Dimensioned floor plans and elevations showing all cladding systems, construction and floor height above ground level.
			Cross sections and construction details. Cross sections to include foundations, floor slab, wall framing, exterior cladding and roofing.
			Full specification covering all the trades involved in the proposed building work.
			Roof truss layout from a registered manufacturer or rafter layout stipulating sizes, spans and load points.
			Wall bracing schedule and layout.
			Producer statement from registered engineer for any construction method outside NZS 3604.
			Details of wall and roof cladding flashings.
			Lintel sizes and spans.
			Plumbing & drainage specifications and plans.
			Stormwater disposal proposal.
			Electricity connected to this building.
			Backflow preventer.

NB: If the plans or specifications are not complete or drafted to a satisfactory standard, there may be delays in issuing the Building Consent.
