Request to apply to amend Building Consent number for a modification of NZ Building Code B2 Durability for the building work described as:

.....

I (Full name) request that the above building consent is amended to be subject to a modification to the Building Code to the effect that Clause B2.3.1 applies for all building elements from a practical completion date of **date.....month.....year:.....** instead of from the time the Code Compliance Certificate (CCC) is issued.

It is understood that the durability timeframe for all building elements that typically starts from the issuance of the CCC, will be modified to start from the above practical completion date.

Signed by Owner or on behalf of the Owner: Date:

This application is made under s45(4) (b) in that the original building consent application made in accordance with prescribed form 2, and this application has been made for consideration of modifications under s 48, 49, 50 and 51.
