# APPLICATION FOR REGISTRATION FOOD ACT 2014

## Before you start, let's check that you have everything you will need:

- The completed scope of operations document. Find this at [www.mpi.govt.nz](http://www.mpi.govt.nz) or from this website
- If you are applying for a National Programme (NP) registration, you must choose your verifier. You will need a confirmation letter from your verifier to attach to this application. A list of recognised verification (or audit) agencies can be found on the MPI website, under 'registers and lists'. The law requires Councils to verify businesses registered under the template food control plan.
- If your business is a registered limited liability company, a copy of the company registration certificate. See [www.companies.govt.nz](http://www.companies.govt.nz)
- You need to make sure you can confirm that the operator of each food business is resident in New Zealand within the meaning of section YD 1 or YD 2 [excluding section YD 2(2)] of the Income Tax Act 2007.
- If you were registered with either the Ministry for Primary Industries (MPI) or your local council before 1 March 2016, make sure you have your previous registration IDs on hand. These are IDs such as *FSA-JBIP-12345* or *WEBB-12345* or *LIC/FP/12345*
- Details of payment of your application fee.
- Multi sites - Multi-site means there is more than one address where food is traded, and you would like to register all sites under one application. If you operate one or more sites within Clutha District Council area, you must register with that council otherwise you need to contact MPI. Make sure you have registration information for every address where food is traded by completing the FAA-02 Multi-site form or a spreadsheet of the sites' information attached to your application is acceptable.

## **Food Control Plan information:**

### **Where can I get a copy of a template Food Control Plan?**

You can download an electronic version of FCP from the MPI website: [www.mpi.govt.nz/food-safety/food-act-2014/forms-and-templates](http://www.mpi.govt.nz/food-safety/food-act-2014/forms-and-templates)

Clutha District Council can provide printed templates and diary pages at a cost.

### **Once I register what happens next?**

For a new business, a Clutha District Council EHO will come and verify your FCP within 6 weeks of your registration being approved.

For existing food businesses transitioning to FCP, the verification will take place within one year of your registration being approved. Verifications will have three possible outcomes; Acceptable, Unacceptable and Non-Compliance.

The EHO will look at the Food Control Plan and talk to you and your staff to gather evidence that you are following what you have said in your plan and to see you are preparing safe and suitable food consistently.
