

SCOPE OF OPERATIONS FOR NP1 BUSINESSES

What does 'Scope of Operations' mean?

The term 'Scope of Operations' is used to describe the activities of your food business and also includes:

- the sector(s) a food business operates under the Food Act 2014,
- what products a food business makes and/or sells,
- how products are sourced and/or supplied,
- how products are processed, if applicable, and
- how products are sold.

Why do I need to complete a 'Scope of Operations'?

If you are operating a food business you need to tell your local council or Ministry for Primary Industries (MPI) exactly what your business does.

What do I need to do?

Complete this form and submit it with your application for registration to your local council or MPI.

Trading Operations

How do you source and supply your products / services?

Tick all the trading operations that your business is involved in.
