Council Housing Units

Thank you for your interest in Council's Housing Units.

The following items are contained for your information:

- General information paper
- Application form for a Council Housing Unit
- Reference Form

Council Housing Units

Thank you for requesting an information/application pack for a Council Housing Unit.

Please read the information fully.

Fill in the application forms and please note that section 6 (Statutory Declaration) and 7 (Privacy Declaration) both need to be witnessed by a Solicitor of the High Court of New Zealand or a Justice of the Peace

You will need to provide two references by people that know you, other than family.

As a responsible landlord it is appropriate for Council to consider the suitability of applicants applying to live in a Community Housing environment. In particular, Council shall consider the risk of damage to Community Housing Units and the impact on other tenants in a Community Housing environment.

If elderly, you will also require a letter from your GP indicating your state of health and that you are safe to live alone. This information will remain confidential and will only be used to assess tenant suitability.

The application, references and GP letter should be sent back to the Community Facilities Supervisor for processing.

We will contact you by phone or email when our checks have been completed.

If you wish to view our Council Housing Units please ring me to arrange an appointment on 03 419 0200

Viewing will also be determined if we have a vacant unit at the time.

You will be advised in writing within a week if you have been successful or if you have been placed on a waiting list if a suitable unit is not available.

Delwyn Burrow
COMMUNITY FACILITIES SUPERVISOR

AGREEMENTS

Attached is a sample of the tenancy agreement for the units. The agreement is in accordance with the Residential Tenancies Act 2020. A copy of the completed agreement will be supplied to the tenant.

LOCKS

The tenant is not to change any locks at the units. Council holds master keys for access to the units in the event of an emergency. Spare keys can be arranged by contacting the nearest Service Centre.

TELEPHONE

All units have telephone cabling provided. However, if the tenant requires a telephone, it is their responsibility to arrange for the connection and disconnection of the service. Payment of all accounts is also the responsibility of the tenant.

ELECTRICITY

The tenant shall be responsible for the electricity account.

MOTOR VEHICLES

Some of the locations provide off street parking and limited covered parking. The allocation of parking space in on a first served, first come basis. There is no parking allocated to each unit. The covered parking is charged at \$5 per week. Please indicate in your application if you require allocation of a covered park.

For those locations without off street parking, the tenants are requested not to park their vehicles on the grass in order to prevent damage to the ground, especially during winter.

GROUNDS MAINTENANCE

The Council has arranged for contractors to undertake the maintenance of the grass and some gardens. The tenant is free and encouraged to maintain and plant the gardens surrounding the unit.

Any items of maintenance required on the grounds can be reported to the nearest service centre for the appropriate action.

GENERAL MAINTENANCE

Council conducts annual inspections to ascertain what the maintenance requirements are for each unit. This inspection also allows Council to check and update future maintenance plans.

Council will undertake most of the maintenance on the units and contractors will be engaged to do the maintenance. Should your unit require attention please contact the nearest Service Centre or call 03 419 0200 to advise them of your requirements.

The replacement of light bulbs is the responsibility of the tenant.

When the unit is vacated it will be inspected to check for any damage and the general cleanliness. If the unit requires cleaning after vacating Council will engage a contractor to complete this with the cost being charged back to the tenant.
