RE: Limited notificaton of resource consent RM2893- Coombe Hay Lane, Toko Mouth

Owner 39 Domain Rd, Toko Mouth

To Whom this may concern

I am **in favor** of the proposed above resource consent being accepted.

- Its a fantastic sight for development and a site that has already had a successful development on it.
- Access from the above road will not put any pressure on the existing lower road into Toko Mouth.
- It will help ease the housing shortage problem in the district.

I don't wish to speak at the hearing

Kind regards
Kent
