

# **Our Place Balclutha**

## **Naish Park & Centennial (Old Boys) Park**

### **Volunteer Application**

The Clutha District Council has identified from the community feedback that Naish Park is a large park with significant history and potential to be developed into a park of significance. Extending the park into the neighbouring Centennial Park (Old Boys) would allow for expansion and connection with the Centennial Pool.

The project is to be community led with Council playing a key part. While being community led, the project itself is large and requires a mix of experience, skill and/or enthusiasm.

Every person that wishes to volunteer to help should be able to find an appropriate role. This application form assists us find roles for everyone.

### **Coordinating Group**

This is the group to manage the overall project. It is a non-paid role that will require an amount of personal time to carry out the responsibilities associated with the roles. In short a job with no pay but responsibilities. There are a range of possible roles within the group. You can indicate what role you might be interested in and then fill in details of your background and experience at the back of this application.

### **Stakeholders**

These are the various interested groups that have a stake in this project. Whilst it is intended that the project and Coordinating Group will work with stakeholders over the life of the project this section gives a stakeholder a further opportunity to make known their interest.

Please indicate your stakeholder interest at the back of this application.

### **Volunteers**

These are the essential people that assist throughout the project at various stages and make things happen. If you have an interest in volunteering to help this project then please indicate that interest at the back of this application.

**Please turn over for the application form**
