

Clutha District Council
Catlins Ward
Electing 1 Councillor

Dane CATHERWOOD

My principal place of residence is in the Catlins Ward area.

After being self employed since my early twenties - taking on different projects and businesses, I have settled with my family in the Catlins (2008).

I am passionate about our area, having invested in business and property. We have great facilities, attractions and a valued community spirit. I am a no nonsense, common sense thinker, who is able to network and build relationships. I am honest and hold acting with integrity as a key component to represent you.

We want to ensure our area benefits from the growth of tourism, but manages to maintain it's natural beauty. We want our core services roads/bridges, waste, water etc to be maintained to a high standard for all users. I see it as a privilege to take the voice of the community to council and work at getting results for the ratepayers from council.

Yours Truly
