

Clutha District Council  
Bruce Ward  
Electing 3 Councillors

---

**Gaynor FINCH**

My principal place of residence is in the Bruce Ward area.

I have lived all my life on the Tokomariro Plains, farming with my husband Geoff for the last 36 years on the outskirts of Milton.

For 28 years I have worked at Clutha Vets Milton branch as a Vet Nurse. I have been a Councillor for the Bruce Ward for the past 15 years. I always take an interest in the local community being on a wide range of Council and Community groups.

I am a Qualified Commissioner on the Hearings Panel and represent Council on the Otago Museum Board.

I have a lot of enthusiasm, energy and passion for our district and community wanting to see it prosper. I really love representing our community on Council. I am available for residents to bring issues or problems to and request your vote to continue doing the best that I can for our community on your behalf.
