**Geoff BLACKMORE**

My principal place of residence is in the Lawrence-Tuapeka Ward area.

I own and operate a sheep and beef farm at Tuapeka West with my wife Clare.

I have served 5 terms on the Clutha District Council and previously 1 term on the Lawrence-

Tuapeka Community Board. Having lived in this ward all my life and being involved in numerous local groups I understand the needs and values of our rural community.

I have enjoyed my time representing the Lawrence Tuapeka Ward at Council to date and, if re-elected, look forward to continuing my relationship with ratepayers, residents and staff at Council. I will continue to be available to discuss any of your concerns regarding Council issues and be your advocate where necessary.
