

Clutha District Council
Catlins Ward
Electing 1 Councillor

Hilary MCNAB

My principal place of residence is in the Catlins Ward area.

The Catlins is a very special part of New Zealand and I along with my husband, Keith, am priviledged to call it home.

I have the pleasure of currently serving as your Councillor and I am seeking re election.

Having been heavily involved in the consultation process for the Community Plan, Our Place - Catlins, I am keen to see it through as your representative.

I have been, and will continue to be committed to many organisations in our Community, Owaka Going Forward, Catlins Coast, Catlins Medical Centre (2017) Ltd, Catlins Promotions, and others.

I believe passionately in our Catlins Community and would like to continue to represent you all at the Council table, and bring to the role a practical common sense approach, enthusiasm and a willingness to get involved, but first and foremost I will listen and support the people particularly of the Catlins but also the wider district.
