

	CLUTHA DISTRICT COUNCIL PRODUCER STATEMENT – CONSTRUCTION (Plumbing)	BUILDING CONSENT NO:
---	---	---------------------------------------

<i>Please complete and return to:</i>	Clutha District Council PO Box 25 Balclutha
---------------------------------------	---

Issued by: <i>(Registered Craftsman Plumber)</i>	
For: <i>(owner)</i>	

In respect of the testing of water pipework prior to concealment

At: <i>(address)</i>	
----------------------	--

I hereby state that I have personally tested the water pipework installed in the building authorised under the above building consent by the method indicated hereunder:

By pressurising the pipework to 1500 kpa for a period of not less than 15 minutes for the hot and cold water supply and checking to see that there are no leaks. (NZBC G12/.AS1 7.5.1(a), (b).)

By pressurising the upvc. Pipework to 1.5 times the maximum working pressure for a period of not less than 15 minutes and checking that there are no leaks. (NZBC G12/AS1 7.5.2, NZS 7643)

By pressurising the pipework to 1500 kpa for a period of not less than 5 minutes and checking to see that there are no leaks. (NZBC G12 VM1, AS3500:Part 1.2 1998)

And believe on reasonable grounds that the pipework has passed that test.

I also understand that the Clutha District Council, in accepting this producer statement, will be relying on it to issue the code compliance certificate at the completion of the building work.
